A full ensemble recording with Finale midi instruments is available for practice purposes in the High School Audition II Etude folder and through the ABA website, but the Finale midi recording should not be used during the audition recording.

3. Play-A-Long (60 Points - 30 Points Each: 15 for Melody, 15 for Improvisation)

A. Satin Doll - With the FULL accompaniment, play three times: play the melody one time, improvise the second chorus, and play the melody again (1st time melody, 2nd time improvisation, 3rd time melody again). Improvisation for **Satin Doll** can be done using the major, dorian, and mixolydian scales from the scale sheet. There are many recordings of this tune. Listen to Duke Ellington from the 1953 Capitol Records recording and Coleman Hawkins with the Red Garland Trio (Satin Doll).

B. Doxy - With the FULL accompaniment, play three times: play the melody one time, improvise the second chorus, and play the melody again (1st time melody, 2nd time improvisation, 3rd time melody again). The improvisation on **Doxy** can be done using the Concert Bb Blues Scale throughout. Style is important in this piece. Listen to several recordings to get a feel for the proper interpretation. There are many excellent recordings of this tune. Sonny Rollins and Miles Davis recorded the standard versions.

Satin Doll and **Doxy** can be found in *Volume 54: Maiden Voyage, Play-A-Long Book and Audio Set* by Jamey Aebersold at www.jazzbooks.com. This book contains the tunes for all instruments and is not instrument specific. Trombone students should use the C bass clef section of the book. Students should record themselves playing along with the full accompaniment. A pre-set Backtrack for FULL accompaniment is available through the Google Drive folder with these requirements.
